

JUSTICE Scotland is launching a unique series of events over two years as part of a fundraising appeal for this pre-eminent all-party law reform and human rights organisation.

Each series will consist of four events around themes that connect the law and the wider world and is designed to engage writers, film-makers, thinkers and social commentators in a dialogue about the law. We are delighted to announce the details for the 2015-16 programme.

JUSTICE is making a small charge for the event in order to raise crucial funds to sustain the Scottish branch. The events will be hosted by the Faculty of Advocates in the Laigh Hall, Parliament House, Edinburgh.

All events will be chaired by the Rt Hon. Lord Hodge, Justice of the UK Supreme Court.

Each event will be followed by a drinks reception and a book signing by contributors.
